

Understanding Medical Aid in Dying

APRIL 17

1:00 PM – 2:30 PM (HST)

Learning Objectives:

1. Understand the roles and collaboration of healthcare providers in delivering team-based, patient-centered care for Medical Aid in Dying.
2. Develop communication techniques and care strategies that prioritize patient understanding, support resources, and advocacy to effectively navigate and coordinate care for OCOCA.
3. Review clinical competencies and legal requirements for participating in Medical Aid in Dying.

1.5 credit hours for CNE, SW, CHES, CME, RD pending approval

This activity was planned by and for the healthcare team, and learners will receive 1.5 Interprofessional Continuing Education (IPCE) credits for learning and change
